Annual BCU Veterans Helicopter Weekend

APRIL 24-27, 2025 • CIRCLE BAR RANCH • TRUSCOTT, TEXAS

*Come join us for a weekend full of fun, fellowship,
and adrenaline filled experiences!*

With your sponsorship, not only will you fly and hunt invasive hogs over hundreds of thousands of acres alongside some of our nation's finest, but you will be immersed with these warriors as you participate in a variety of other exciting activities: shooting at our 1,000+ yard gun range (with access to unique firearms, including fully automatic weapons), axe throwing, 5-stand shotgun competition, authentic ranch tours, mobile museums, live music, incredible western cuisine, and more...

Big Country Veterans strives to honor and support those who have sacrificed so much for our nation's freedoms. It is our mission to promote awareness of these sacrifices and bring communities together to foster healing environments and provide meaningful resources to help veterans and their families conquer life after combat.

Through the generous support of our sponsors, the annual Veterans Helicopter Weekend is one way we achieve this mission of helping our veterans never feel conquered by life after service.
